## Exclusive Online Dealer

### LINDNER SHOW FEEDS WINNING ENTERPRISES FEED ADDITIVES

#### SUP 'RRR' ELECTROLYTES

Available in 5#, 10#, and 25# containers.

1-2 oz. per head per day.

Puts more fluid into the growth tissue. Promotes growth of tissue and will prevent dehydration. Can be used with other feeds in all animals.

#### STRIDE N FLX

Available in 5# and 30# containers.

1-2 oz. per head per day.

A formulation of Biotin, Vitamin E, Zinc and Methionine that aids in the improvement of skin and hair coat; prevention of joint problems, and cracking and splitting of hoofs. No withdrawal.

#### MOR POW 'RRR'

Available in 2.5#, 5#, 10# and 25# containers.

Top dress or use in water 6-12 hours prior to show time, spacing dosages in two hour intervals. Can also be used as a drench. Mix 3-5 oz. with 8-16 oz. of water and shake well.

A mixture of high energy products that are absorbed rapidly into the animal. It quickly restores fluid to the muscle tissue in the animal to promote overall freshness and a more defined muscle appearance.

#### LIFESAVER

Available in 2.5#, 10#, and 25# containers.

Mix 5 oz. of Lifesaver with 16 oz. of water prior to giving to show pigs. This is an appropriate amount of water; more water may be needed for proper hydration of the animal during stress periods. Administer every 30-45 minutes to achieve the fill and appearance desired.

For use in show pigs to maintain healthy appearance, freshness, condition and fill for the show ring.

#### NUTRA-BAC

Available in 5#, 10#, and 25# containers and 50# sacks.

1-2 oz. per head per day.

Helps utilize feed better and keeps animals on feed which aids in preventing diseases and sickness.

#### ADDITIONAL PRODUCTS

SUP 'RRR' OINK	BEEF CATTLE MAX
LEAN GAIN PREMIX	J-BURNER
FITTING SUPPLEMENT	HOLD-UM
SHOW SUPPLEMENT	MAG-OX
POTASSIUM	SUP 'RRR' DEFINER
